

COMPASS SUB PLANS

- Compass is a student support class that allows teachers to connect with a small group of students through advising and group activities.
- Each teacher in the building has a different grade level of students in their Compass class. You will have an 8th grade class.
- You will not have access to the Staff 8th Grade Compass Activities and Assignments so I have left some easy alternatives for the students.

COMPASS SUB SCHEDULE

MONDAY

READING DAY

Students will bring in a book to read.

Students are allowed to read for pleasure or for a class.

TUESDAY - THURSDAY

STUDY HALL

Students will quietly work on school work, study, or read.

FRIDAY

GAME / FREE DAY

Students may talk quietly, play games together (You can ask Jana Bernhardt to borrow some), study, homework, read.

CONNECT DAYS

Connect Days are on some Fridays area little different...
Original Connect students will check in for attendance. They will leave and another set of kids will come in for the art activity I have left for them.
